

Soccer Team Splits; Record Now At 8-2

Today Drew hosted Wagner College on Young Field at 2:30. Saturday, also on Young Field at 2:00, St. Peter's visits. The Rangers will be seeking to boost their record to 10-2.

They bounced back last Saturday, after a stunning 5-3 loss to Seton Hall, to shut out Lycoming 3-0 and raise their season record to 8-2.

In the Lycoming encounter, the Green and Gold dominated play despite some trouble adjusting to the plastic ball which Lycoming used. With seven minutes gone in the game Ben Alexander put Drew ahead with a cross into the net from the right and the first half ended that way, 1-0, as the ball proved hard-to-control and Lycoming's defense held.

The third quarter was scoreless, but just three minutes into the fourth Alexander sent another cross over which Mickey Collela converted into a tally directly in front of the net. Then, eight minutes later, co-captain Roberto Azevedo scored on an "impossible" pass from fellow co-captain Fara Mahdavi. Horizontal to the ground, Mahdavi back-footed the ball to Azevedo. Next year's team is going to miss them.

Goalie Starr Barnum had 30 saves in this contest, which dropped Lycoming's record to 2-8. In winning, the Rangers spoiled their homecoming.

The Seton Hall game was a tragedy of errors. Drew controlled most of the action, and in

general outplayed the 3-9 Pirates. But Seton Hall made the most of its chances, and because they were few, but good ones, finished ahead where it counts, in goals scored.

At the outset of the game, the Rangers launched a strong attack. But, as was to prove the game pattern, the shots all seemed to veer away from the nets. With fourteen minutes gone in the quarter, the Blue and White got the first tally, and two minutes later a mixup between Barnum and fullback Terry Eckert gave Seton Hall its second, a real "gift."

Behind 2-0 at the outset of the second quarter, Drew didn't give up. Mahdavi headed in a pass from Mike Succoll to cut the gap. The pressure on Seton Hall was kept up, but with four minutes to go in the half another score put the Pirates up 3-1.

Only five minutes had elapsed in the second half when it became 4-1. And there were only thirty seconds left in the third quarter when it went to 5-1.

Only in the fourth quarter did the score reflect the action. Mahdavi hit with five and a half minutes gone and Alexander added another five minutes later. But it was too little and too late and the Centennial Soccer game ended 5-3 under the rapidly darkening November sky.

The game was played roughly on both sides. One Seton Hall player was ejected in the third

Green and Gold Forward Mike Succoll stops the ball during second quarter action in Seton Hall match which kicked off Centennial Weekend. Nothing went right for Rangers as Pirates won 5-3. Drew's second loss of the season.

quarter for tripping Mahdavi. Several fights were threatened, perhaps to help somebody keep warm, as it was both cold and windy on Young Field. It was not a good afternoon.

The lineup for Drew was: (subs

in parentheses) Goalie: Starr Barnum (Steve Jacobsen); Left Fullback: Terry Eckert (Jeff Snay); Right Fullback: Locke Parke; Left Halfback: John Kane; Center Halfback: Butch Acker; Right Halfback: Gens Stockey

(Greg Johnson); Left Wing: Mickey Collela (Bruce Eskesen); Left Inside: Fara Mahdavi (Mike Succoll); Center Forward: Paulo Kroeff (Ron Rossi); Right Inside: Roberto Azevedo (Succoll); Right Wing: Ben Alexander.
